

Job Descriptions

Tutor £21,000- £25,000

Working with the curriculum lead to implement an effective and enjoyable curriculum that enables and encourages all pupils to make good progress and achieve their potential.

Plan, deliver and mark learning in small classes of no bigger than 6 students and 1:1 teaching when required in English or Maths plus life skill subjects. We will consider transferable skills and experience that can offer teaching in these subjects. Work with the curriculum leader to continually develop a progressive curriculum and cross-curricular opportunities across the school. Effectively monitor the progress of each pupil, checking their understanding systematically and effectively, putting in place clearly directed and timely interventions. Continuously promote our values, **Employable, Sociable and Ready**.

Qualified Teacher Status (QTS/QTLS/PGCE) is preferable, but consideration will be given to education professionals with other teaching qualifications and experience.

Experience of successful secondary class/group teaching responsibility. Ability to prepare and deliver appropriate curriculum using a range of teaching styles and methodologies A dedication to positive behaviour management. A passion for working with pupils with SEN and a range of emotional and behavioural difficulties. Effective pastoral care and awareness.
